A LATE 19TH CENTURY ITALIAN ALABASTER FIGURAL GROUP OF VENUS AND CUPID IN THE MANNER OF CANOVA in the Neo-Classical style, depicting Venus nude reclining on a sofa, embracing the figure of Cupid beside her, raised on a rectangular base with egg and dart border, over an ebonised plinth, 40cm wide, 24cm high (excluding plinth)

Qty: 2

40cm wide, 24cm high (excluding plinth)

### Condition Report

Venus is missing a toe to the back, there is some light staining, but the surface is generally clean, the base does have some strengthening pieces to the underside and there are cracks to the rail. There appears to be a replacement panel to the right hand side, or the panel has become loose and has been reglued.
