linocut and collage

PROVENANCE:

A gift from the artist

Linocut and collage, mounted and framed. Frame: 29 x 41 cm (11 1/2 x 16 in). The signature has not been examined by a member of our department, but we believe the vendor on this occasion. The sheet is housed in an acid free mount and has not been examined out of the frame. Float mounted with all edges visible. The colours are vibrant and strong, and the work seems to be in generally good condition and ready to hang.
