Condition Report

Wood engraving, on wove paper, unframed and mounted. All mounts: 56 x 40.5 cm (22 x 16 in). The sheets are taped to the mount and variously trimmed. There are faint foxing marks to some of the margins that do not distract from the images. Minor discolouration to some of the extreme edges. The impressions themselves are unaffected and in excellent overall condition.

(iv): There is a minor rip to the right-hand edge of the paper 2 1/2 inches up from the lower right corner, but this does not distract from the image itself, which is in excellent condition.

(xiii): The left lower edges are uneven.

Dimensions of all 13 prints:
