AN ANTIQUE TABRIZ RUG, NORTH-WEST PERSIA

The light rust-red field with delicate angular floral and leafy vine around large double floral medallion with pendants and rosette centerpiece. Spandrels similar. In soft camel-brown border of polychrome palmette cartouches and angular floral sprays between flowering meander and plain stripes, approx: 5ft.10in. x 4ft.1in.(178cm. x 124cm.) Classic for this type with well drawn design and nicely balanced colours. Apart of touches of slight wear to the pile on edges in few places, barely visible, this rug has good pile and in general is in very good usable condition. Ends with short fringes. Cotton flat selvages also original. Attractive and very good furnishing rug.
