Condition Report

Wood engraving, mounted and framed. Frame: 35 x 30.6 cm (13 3/4 x 12 1/4 in). The sheet is in good condition with slight crinkling of the paper. The sheet is housed in an old mount out of which we would advise removal. On close inspection there are spots of foxing most visible to the margins, e.g. lower left quadrant and near the signature, lower right corner. The impression is quite light but reads well. Overall the work is in good condition, ready to hang.
