AN EXTREMELY FINE NAIN RUG, CENTRAL PERSIA

The light blue field with meandering floral vine around concentric arabesque medallion with pendants. Arabesque spandrels. In an ivory palmette and leafy vine border between apricot floral and plain stripes approx. 103cm x 77cm. Very nice example from Central Persia. Unusual small size. Good colours and well drawn design. Extremely fine weave 11 x 11 knots per sq. cm. This rug has full pile of soft wool quality and part silk. Ends and selvages original. In general this rug is in good usable condition. Elegant piece.
