#### **A FINE SAROUK RUG, WEST PERSIA**

The indigo field with delicate angular floral leafy vine around central double floral medallion with pendants. Floral spandrels. In an indigo border of rosettes and angular floral vine between floral meander and plain stripes, approx: 155cm x 108cm. Very nice example for this type with well balanced colours. This rug has full pile of soft wool quality. Salvages partly rebound with touches of fraying in wool cord. Ends with short fringes. In general this rug is in very good usable condition. Elegant piece.
