A MESHED RUG, NORTH-EAST PERSIA

The sandy-beige field with angular and floral leafy vines, together with flowering vase at one end. Central open floral medallion. In an indigo rosette and floral vine border between floral vine and plain stripes, approx: 200cm x 133cm. Good colour combination and well drawn design. This rug has localised wear on the pile down to knot collar. Ends with slight loss to guard stripes. Salvages original. In general the rug is in good usable condition. Good furnishing piece.
