A FINE SAROUK RUG, WEST PERSIA

The indigo field with angular rosette and leafy vine around rust floral medallion with pendants containing light blue central panel with floral centerpiece. Red and beige floral spandrels. In an indigo border of rosettes and angular floral vine between floral meander, zig-zag and floral stripes, approx: 158cm x 110cm. Very good example for this type, with well balanced colours. This rug has full pile, soft wool quality. Salvages rebound, well done with touches of fraying on the wool cord. Ends secured. In general this rug is in very good usable condition. Elegant piece
