### A VERY FINE TABRIZ RUNNER, NORTH-WEST PERSIA

The indigo field with densely woven *herati* design around two ivory and beige cusped double medallions with pendants, containing similar design. Spandrels similar. In an ivory border of stylised turtle-palmettes, rosettes, and serrated leaves, between flowering vine, barber-pole and plain stripes, approx: 342 cm x 79cm. Very good example for this type with well drawn design and balanced colours. This carpet has full pile. Ends and selvages original. Very fine weave approx, 8 x 7 knots per sq. cm. In general this runner is in very good condition throughout. Very good furnishing piece.
