A FINE SIGNED KASHAN CARPET, CENTRAL PERSIA

The *eau-de-Nile* field with scrolling floral and leafy vines together with serrated palmettes and rosettes, enclosing open floral arabesque medallion. Open spandrels similar. In bold serrated palmettes, arabesques and delicate flowering vine border, between floral and arabesque stripes, approx. 382cm x 267cm. Very good type, popular at present market. Good colour combination and well drawn design. Apart of touches of slight wear to the pile at one side border, this caropet has good pile and in general is in very good usable condition. Ends with short fringes, secured. Salvages rebound, very well done. Attractive and very good furnishing piece. Signature cartouche at one end "Kashan Rezai"
