A FINE KHOTAN CARPET, EAST TURKESTAN

The rust field with overall design of angular open floral panels in hooke floral spray m border, between plain stripes, approx. 331cm x 253cm. Unusual for this type , with nice colours. This carpet has slight localised wear down to knot collar in few places. Otherwise, good pile. Salvages original. Ends with short fringes secured. In general this caret is in very good usable condition.
