A CHINESE PALE CELADON JADE ARCHAISTIC CUP.

A CHINESE PALE CELADON JADE ARCHAISTIC CUP.

The compressed circular body raised on a flared foot and carved with three rows of studs, worked with two lion head handles and two *taotie* masks beneath the gently everted rim, the stone with white mottling and some natural flaws, 13.5cm across.

青玉雕仿古盃

There are a couple of small chips to the rim. There is a circular work mark to the base and a small circular work mark to the base of one of the handles.
